## Our Year in Review

Jamie's Kids continued to grow in 2017-18. We had a need to create committees for our Annual Golf Outing and Spaghetti Dinners. This allowed us to better devote our time to the individual needs of each event thus being able to create better events for those in attendance. We continued to reach out to the educators and staff in our area with the goal of serving students in all the local six school districts. In addition, we have several school outreach coordinators employed by Venango County who reach out to us with referrals. This year, we took part in The Week of Giving in March 2018 which was sponsored through Bridge Builders of Oil City.

## 2017-2018

## Annual Report

Jamie's Kids is a non-profit, tax-exempt corporation that honors the memory of Jamie Jacoby, a great teacher who cared for the children in our community. Jamie's Kids gives aid to children identified by educators as having a need, regardless of size.
